

Objective:

Share consortium members' experience with setting up and implementing traceability pilots; determining successes and challenges to date; identifying issues facing manufacturers.

Outcome:

Status summary on the progress achieved to date on the traceability pilots

Draft Agenda:

Tuesday 24 August 2021 (12.00-13.30pm CET)

12.00-12.05: Welcome (Lingjiang Yang)

12.05-12.20: Sinergium – presentation and Q&A

12.20-12.35: Inovax – presentation and Q&A

12.35-12.50: Biological E – presentation and Q&A

12.50-13.05: Bharat Biotech – presentation and Q&A

13.05-13.20: Bio Farma – presentation and Q&A

13.20-13.25: Summary (Steve Jarrett)

13.25-13.30: Conclusion (Lingjiang Yang)

Guidance for manufacturers presenting (verbal presentation for approximately 10 minutes):

- Present objective of the traceability pilot
- Describe main actions of the pilot and consultancy arrangements with GS1 solution providers
- Indicate the current status of the pilot
- Indicate challenges being faced.
