ASIA-PACIFIC VACCINE EXCELLENCE AWARDS 2022

Asia-Pacific Vaccine Excellence Awards (AVEA) 2022 seeks to recognize the Asian vaccine manufacturing community and the achievements it has made over the past year. The industry has displayed resilience and innovation in the face of the COVID pandemic and the needs of the vaccine rollout, and continues with R&D excellence. The purpose of AVEA2022 is to recognize the outstanding achievements of vaccine & supply chain experts, organizations, and the newest technologies in Asia.

The Awards Ceremony was held on 9th November in conjunction with the 4th Annual Vaccines World Asia Congress 2022.
