### **A few things to note:**

- COVID-19 protocols will be followed. Masks are required to be worn. You are requested to get yourself tested for COVID 19 at the free testing facility available on site.
- This is a hybrid event. Some speakers shall be joining virtually.
- The event will be video recorded.
- Speakers are advised to arrive at the venue 20 minutes prior to their session. This will allow the debriefing time before their onstage session and affix the microphones.
- Once inside the main auditorium, speakers are requested to proceed towards the desk marked session speakers. A DCVMN representative will greet them and escort to the green room.
- **Please share a mobile number** where we can reach you right before your session so we are able to communicate with you if needed (via text message or WhatsApp).
