CEPI Regulatory Initiatives

Prepare, Develop, Deploy are essential for future outbreaks

Partnering with regulatory authorities worldwide and other key stakeholders to capitalise on lessons learnt and embed regulatory innovation

Prepare

Develop

Deploy

Enable maximal use of platform data and pre-approved documentation

Evaluate product development pathways for any acceleration / streamlining

Identify circumstances to accelerate development and deployment based on anticipated benefit risk

Harmonise outbreak ready pathways and maximize speed of review and regulatory reliance to enable rapid regional and global roll-out
