

Webinar - Raman technology to enable real-time upstream bioprocess monitoring of CPPs and CQAs and continuous control: From media preparation to cell culture expansion

September 05th, 2023

Speaker

Mr. Hadi EL Radi Merck KGaA

Facilitator

Ms. Tamires Lacerda DCVMN

29 companies trained

Austrian Center of Industrial Biotechnology
Axel'One
Bandung Institute of Technology
Bharat Biotech
Biological E
Bureau of Veterinary Biologics
Cadila Pharmaceuticals
Changchun BCHT Biotechnology Co
CNBG
CRA
Double Helix International
ENSCM
GSK
IBK System
Industrial Technology Research Institute
Kemwell Biopharma
MEVAC
Novartis
Osong Medical Innovation Foundation
Oxford Biomedica
PT Finusolprima Farma Internasional
Radiant Pharmaceuticals
Razi Vaccine and Serum Research Institute
Recbio
Sanofi
Shilpa Biologicals
Syngene International
Veterinary Serum and Vaccine Research Institute
Zydus Lifesciences

69 participants trained

17 Nationalities

Austria, Bangladesh, China, Egypt, France, India, Indonesia, Iraq, Italy, Japan, Nigeria, Singapore, South Korea, Spain, Taiwan, Thailand, and the UK.
